| TAYLOR FACADE

The Penn home design is functional and fashionable and provides a clever layout conducive for family living, relaxing and entertaining. You will feel completely immersed in the outdoors in this home, whether it be as you entertain in the wrap around alfresco area that flows directly into the open plan living space or relaxing in the family retreat overlooking the outdoor courtyard area. The master retreat is the ideal parent's haven with dual vanity, oversized walk-in-robe and great separation from the remaining bedrooms and living spaces.
